Stormy Atlantic – Top 10 Ranked Sire

Some sires simply produce winners. STORMY ATLANTIC, out of STORM CAT, has proven to be one of those sires. Champion Juvenile Sire in 2006, he ranked 8th in total progeny earnings in 2008 and did not miss a beat finishing 13th in 2009. His stud fee rose to \$45,000 last year and his average yearling colt sold for \$62,000. The first dam, SARIANO was a stakes winner with \$106,000 in earnings and has black-type throughout the maternal line. With the versatility on dirt and turf shown by the sons of STORMY ATLANTIC and the strength of the dam side, we believe we have found a winner.
