Name: QUEST FOR CANDY

Sire: Candy Ride

Foaled: May 9, 2009

Dam: Egads by Coronado's Quest

CLAIMED FROM STABLE JUNE 24, 2012

Quest for Candy was claimed from our stable after recording her third win in six starts and returning more than \$50,000 in earnings and claiming proceeds. She is a front-running, fast filly, but frequently displaced, causing breathing issues. If she was able to finish without displacing, she won, if she displaced her inhibited breathing would lead to a poor finish. She has been fun to watch and has tons of talent.

Quest for Candy won at three different tracks over three different distances. We wish her new connections good fortune.
