

ROYAL COLORS RACING

Name: Force Awakens - Filly

Sire: Into Mischief

Foaled: May 21, 2014

Dam: Tactical Info by Tactical Advantage

Simply fast. This filly has been as good as we could have asked for during her preliminary stages of training. She is cat quick, smart, and looks ready to run early. We plan to have her ready to race as early as June. As a Louisiana-bred, there are lucrative purses and restricted stakes designed for these early two-year olds. If her talent dictates, we will take her where she needs to go.

If Into Mischief is the sire of a yearling, they are going to be tough to buy. The average among those sold in 2015 was \$70,000. This filly had a late birthday, was a little on the small side (not uncommon for Into Mischief offspring), and was sold in Louisiana. We saw a well-proportioned body with a good hip, strong angled shoulder, and room for growth. We think she fell through the cracks and we were more than happy to be there to buy her.

This filly represents a great value combining athleticism, heart, sire power, and a consistently producing dam. There is plenty of black type under her dam and she has continued to produce top-level runners over time. Our filly nicks an A+++ (A Triple Plus), the highest nick awarded. Nothing is guaranteed in the racing game, but this filly has a lot going for her. If you are looking for a two-year-old runner, priced at a value, you don't have to look much further.

Into Mischief – One of the Nation's Top Sires

INTO MISCHIEF has catapulted onto the most-favored stallion scene with attention getting winners GOLDENCENTS, VICAR'S IN TROUBLE, and VYJACK among others. His stud fee for 2016 was set to \$45,000 and his 2014 and 2015 books were filled with more than 200 mares each. As a race horse, INTO MISCHIEF was a precocious two-year-old, winning the Grade 1 Cashcall Futurity. He entered five total stakes and won or placed second in each of them. Our filly's dam, TACTICAL INFO, has produced ten winners from twelve runners, including four stakes performers and five horses earning \$100,000+.
