Slew City Slew – The Racehorse Sire

SLEW CITY SLEW typically produced crops of less than 50, but is represented by more than 100 Stakes horses and progeny earnings in excess of \$45,000,000. Arguably one of the best values at stud, he consistently improved the mares he was bred to and his runners average earnings greater than \$60,000. Some of his stars include multiple Grade 1 winning colt LAVA MAN, Grade 1 winning filly SIS CITY. SLEW CITY SLEW was the son of SEATTLE SLEW, the last Triple Crown Winner, and a true sire of sires including perennial leading sire AP INDY.
